Get Your Business In Front of Trail Tourists!

About the Great Allegheny Passage
The Great Allegheny Passage is a spectacular 150-mile path between Cumberland, Maryland and Pittsburgh, and offers world-class bicycling and hiking adventures. With stupendous mountain views from 16 bridges and four tunnels, the GAP was the first path named to the National Rail-Trail Hall of Fame. Each year, travelers visit the GAP from all 50 states and 35 countries, and drive tens of millions of dollars in economic impact among trail town businesses. The Great Allegheny Passage receives national press attention, with stories in the New York Times, Washington Post, USA Today, National Geographic, and Fodor’s Travel. With over a million visits annually, it’s the country’s premiere long-distance bicycle tourism adventure.

About the GAP Conservancy
The GAP Conservancy (formerly Allegheny Trail Alliance) is a 501(c)(3) nonprofit organization which coordinated the completion of the Great Allegheny Passage, and now stewards its ongoing care and enjoyment. We promote traveling the GAP and its sister trail, the C&O Canal Towpath, and seek the flourishing of trail towns and the joy of travelers along the entire Pittsburgh to Washington, D.C. journey.

**Showcase Your Business With the GAP Stamp of Approval**

Your business’s profile page draws appeal among potential travelers by describing what you have to offer as they plan an adventure. Up top, it links directly to your website and social media. For trail town businesses, under your profile are a rotating set of nearby trail destinations that remind travelers how central you are to their trip. Moreover, the profile page URL will include your business name and is indexable by search engines. More than an advertisement, your profile page retains the design cues of gaptrail.org, and to site visitors, your brand or service comes across as an integral part of the Great Allegheny Passage experience. The GAP Conservancy may lightly edit the submitted 200-word descriptions and 120-character blurbs to match the tone of the website, as well as add references to the nearest town and trail (GAP or C&O Canal Towpath) where appropriate.

**Your Profile Page Includes:**
- Photo of your business, brand, service, or product
- Email and phone number
- Direct links to your website and Facebook, Instagram, and Twitter accounts
- Appealing description of your business or service (200 words)
- Brief blurb or tagline (120 characters)
- For trail town businesses, your physical address and nearest trail mile marker

**Get Found in Search Results:**
- Your photo, business name, and brief blurb shows in our website directory, in up to three categories
- For trail town businesses, your photo, business name, and location shows on our searchable map and in our itinerary-planner, and along with your brief blurb, are highlighted on the nearest town page

The size of a paid placement varies by the page on which it appears. The placements are responsive to common device sizes. The content of a placement pulls from the blurb from your profile which is also used in the trip planning map. The premium placement positions on certain page types also include your profile’s featured image as a small thumbnail image. The guide below identifies positions and pages that include an image.

Select the Page Type and Position
